

Climate Action Stokesley and Villages update August 2021

Hello

A quick update this month. Welcome to those who have joined our mailing list recently.

Our meeting this month is on **Tuesday 17th August, starting at 7:30pm in The Globe, North Road, Stokesley**. We are delighted that we can once again meet in person. Please bring a mask to wear until seated and be aware that the toilet facilities won't be open in the building.

Unfortunately, Stokesley Show has been postponed for another year. So instead of sorting the recycling for the show we are hoping to have an event in Stokesley, as part of [Great Big Green Week](#), on **Saturday 25th September**. Please put the date in your diary. Our August meeting will focus on planning for the event plus an update on what the sub-groups have been up to.

Waste

We are hoping to have a presence on [North Yorkshire Rotters](#)' stall at this Friday's Stokesley Market, from 9am - 2pm. If you missed them last time, why not call and see what resources they have such as free recipe cards, bag clips, fridge thermometers etc to help people reduce waste?

Zero carbon

Following last month's meeting, Simon Gibbon has been busy adding to our [website](#) his overview of a variety of plans that have been produced to get us to zero carbon. Makes for some interesting and informative summer reading!

Hope to see you on 17th August.

Caryn Loftus on behalf of the Climate Action Stokesley and Villages Steering Group
