

Climate Action Stokesley and Villages update August 2022

Hello

A shorter than usual update for August with a fuller report of recent events in September.

It was great to meet new faces at our AGM and [transport themed event](#) in July. At the AGM, our steering group was formally elected and we approved the amendment to our constitution. We will be following up the input from Jos Holmes, Climate Change Policy Officer for North Yorkshire County Council, when members of the steering group meet with her and officers from Hambleton District Council and other environmental groups to see how we can work together more effectively.

CASaV get-together – 16th August

Rather than a formal meeting in August, Pete and Joy Smith have offered to host a get-together on the evening of Tuesday 16th August at The Barn House, The Nursery, Great Busby TS9 7AS.

6:30pm: If you haven't been before come at 6.30pm for a tour of their [Passivhaus](#) or woodland and rewilded areas depending on what you are interested in.

7:00pm: Bring a picnic and we can eat together from 7.00pm followed by at

7:30pm a chance to talk about climate related issues in a less formal setting than our usual meetings.

If you would like a lift/car share to get there, then get [in touch](#).

Wildflower Seed Collecting - 19th August

Find out why and how wildflower seeds are being collected in the Floodplain Meadow in Great Ayton and help collect seeds. The session will be led by Martin Allen, a local expert botanist.

Meet at 11am in Waterfall Park, Great Ayton.

Bilsdale Show – 27th August

CASaV will have a stall and work to improving recycling at the show. If you would like to help, then get [in touch](#) or if you are at the show drop by our stall and say hello.

Hope to see you at one of the August events.
